TAPPING YOU UP, EVERY WEEK!

Nuts does phone hacking!

Our journos break into *your* private handsets!

Phone hacking's been in the news a lot lately because some naughty "proper" journalists did it and are now getting their bums smacked. Here at *Nuts*, we like to think of ourselves as journalists who'll do anything for a scoop, so we decided to try our hands at hacking into some phones, too.

We tooled our boys up with meat cleavers, gave them some phones we found in a skip and put them to work at News International in Wapping, East London, home of *The Sun* and *News Of The World* (RIP). The results? Oddly underwhelming. Not only were there no messages to be found inside the phones, but the ruddy things wouldn't work any more. Must be why they didn't come out and offer our boys proper journalist jobs...

BREAKING NEWS!

Eventually, specialists were called in to cut Rebekah Brooks' hair

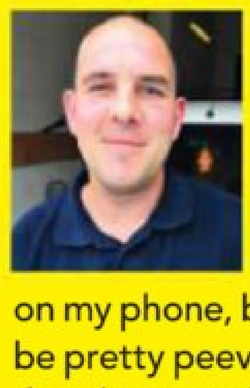

Vox-pops!

LEE, 24
Essex:
"It'd be a bit awkward if they hacked into my phone – they'd find out I desperately want my ex back, even though I'm playing it hard to get!"

VICKY, 18
South London:
"Oh God, I'd be so embarrassed! I love a really good gossip, so they'd probably just get bored of me yapping about my mates' love lives!"

KEVIN, 35
Southend:
"I don't think they'd find much skullduggery on my phone, but I'd still be pretty peeved! It's funny that the ones doing the hacking have got the chop themselves now!"

GREG, 37
Henley:
"They'd find absolutely nothing on me! I'm more p*ssed off that the government are being all high and mighty about it. They've been up to their neck in this kind of sh*t for years!"

KELLY, 28
Cheltenham:
"I don't think they'd find anything scandalous about me if they hacked into my phones. Well, they'd find a few rude messages from my boyfriend! Nothing worth prison time, though!"

John Hartson's Premier League transfer timeline!

A look inside how a Prem transfer really happens!

With Premier League stars collecting transfer requests like speeding tickets, it got us thinking, how does a player actually go about engineering his dream move?

To get an idea of what happens behind the scenes on a big transfer, we tapped up (legally) Welsh football legend and all-round top bloke, John Hartson, a player who cost more than £20million in transfer fees throughout his playing career!

The John Hartson Foundation's England vs Wales legends match will take place on 8 September at Pride Park. Tickets are available from www.dcfc.co.uk

PHOTOS: GETTY IMAGES, ACTION IMAGES, BACKPAGE IMAGES

1 ONE MONTH BEFORE DEAL *"COME AND GET ME" PLEA ISSUED PUBLICLY*

"Once the player has decided he wants away, his agent then makes himself busy, dropping hints to newspapers and media outlets like Sky Sports News, saying his player is far from happy at his current club. Rumours spread like wildfire and the wheels are put in motion. The correct way of doing things is for the player to request a meeting with his manager, but sometimes the gaffer is the last to know! As an ex-pro, I'd always advise a want-away star to go to his manager first. Be a man about it!"

2 THREE WEEKS BEFORE: *AGENT STARTS NEGOTIATION PROCESS*

"After it's apparent the player wants away, the agent can test the water with interested parties and clubs the player would like to join. If a team expresses an interest, the player's agent and the chief executive of the buying club will work very closely together to get the initial talks up and running. This is usually when the agent negotiates his own fee. You can bet that if Carlos Tevez leaves Man City for £40million this summer, his agent will have made sure he earns himself at least £2million for his trouble!"

Release: StoreMags & FantaMag

NEGOTIATIONS!

3 TWO WEEKS BEFORE: *PLAYER'S CONTRACT IS THRASHED OUT*

"Now talks are at an advanced stage. The agent will have sorted the player's contract, bonuses and clauses. The player has no say in this whatsoever and the agent takes complete control deciding contract length and salary. I moved four times in my career, and I never got involved with contract discussions! Contracts can take a while to sort out and can be quite complicated. At Wimbledon, for instance, Vinnie Jones had a £10,000 goal bonus in his. No wonder he always wanted to take the penalties!"

4 ONE WEEK BEFORE: *AN OFFER IS MADE*

"Once a deal with the player is in place, the buying club moves on to making an offer to the selling club. That negotiation is then dealt with exclusively between the chief executives of the two clubs, with the agent and player taking a step back. Negotiations can often drag on as both clubs haggle over an acceptable fee. Contract clauses can also play a part in slowing down the process. For example, there are often sell-on fees from previous deals that will need to be sorted out at this point. Money in football is astronomical nowadays!"

JOB DONE!

5 24 HOURS BEFORE: *THE MEDICAL*

"When a transfer fee is agreed, the player will go for a medical. He'll have his joints scanned for injuries and will go through a full physical. Amazingly, they never perform body or head MRI scans, something that could have detected my cancer ten years before I was diagnosed. Some clubs are prepared to take a bit of a chance on players with slight knocks, as happened with Andy Carroll's transfer to Liverpool. He didn't play for months afterwards, but teams usually know what they're doing. They very rarely take serious risks!"

6 DONE DEAL: *THE PRESS CONFERENCE*

"Once everything is signed, the buying club will arrange a press conference to announce the deal, with the club's press officer contacting all the newspapers and TV stations. The money for the transfer is then usually paid straight away. However, there can be deals where an initial lump sum is paid, before the remaining money is transferred in instalments over the length of the contract. As for the agent, he usually gets his payday when the player receives his first wage packet. And that's it! The player has got his big move!"

THE BOYS!

New *Inbetweeners* movie gags!

The flick's just a spit away. Here are some tasty, teasing titters!

It hits cinemas in a month's time, so you've got four weeks to scrape eight quid together to sit in a darkened room, nosh on nachos and enjoy *The Inbetweeners Movie*.

It's a mirth-filled yarn following the blokes' "boys on tour" holiday to Malia, Crete, where they're hoping for lashings of sun, booze and girls. Sadly, that's not how it works out. The trailer hit last week – here are the gags!

The Inbetweeners Movie *is at cinemas from 19 August*

WEDGIE!

(Bully Mark Donovan gives Will a huge, painful wedgie)

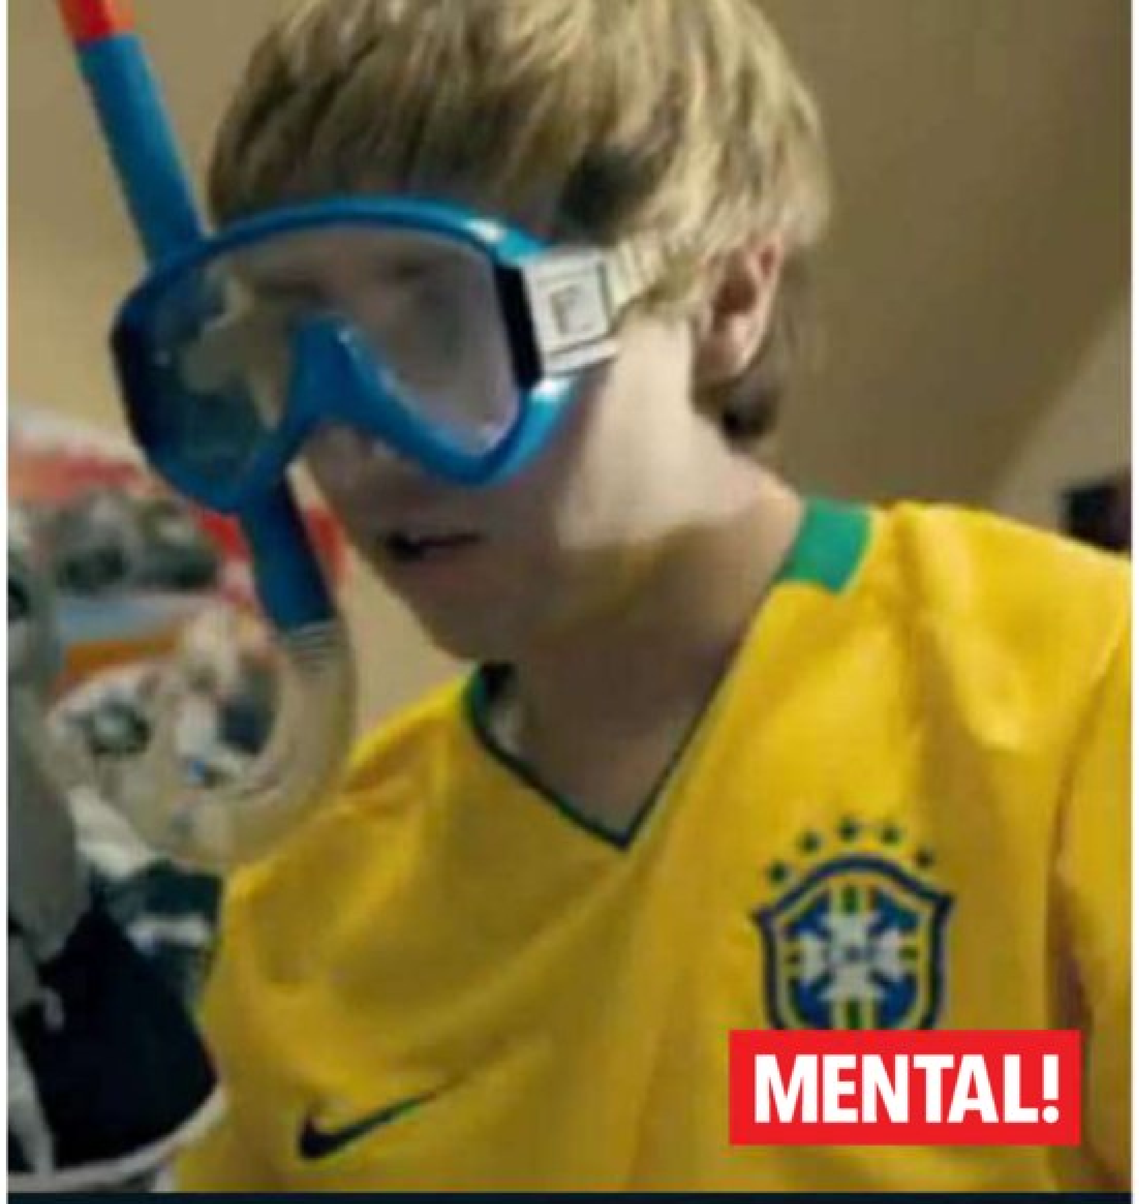

Will: Old-school wedgie! Squashing the balls now!

Jay: You better bring your wellies, because it'll be knee-deep in clunge!

Mr Gilbert: Good luck with the rest of your lives. And try to not kill anyone!
Will: Slightly more upbeat than I was expecting!

Will: I have never put my penis in a lady.
Girl: You're a virgin, that's cool!
Will: If anything, it's famously uncool.
Girl: Well, it's cute, then...
Will: Oh God, that's even worse.

Jay: Now you've been dumped, we can all go on a mental holiday together. Two weeks of sun, sea, booze, minge, fanny and sex!

Jay: While you two decided who gets first go on each other's c*cks, I'm getting out there. The gash isn't going to f**k itself, you know!
Will: Charming!

Will: First stop, the Minoan Palace at Knossos!
Jay: We haven't come halfway round the world to look at some boring, f**king Greek ruins!
Neil: Yeah, you can see that sh*t anywhere!

Neil: You're well in there, mate.
Jay: Yup. He shoots! He scores! Right up the vag!

Jay: I'm on holiday! You can't be too drunk! (Cut to Jay, the following morning, waking up next to a well)
Will: Jay slept in an ants' nest!
Jay: Aargh! Pain!

Car game and car TV show meet for sexy times!

We all know that the best car show on television is *Top Gear*. We all know that the best car game on consoles is *Forza*. So imagine a world where they collaborated on a game! Imagine. That world. That would shine like a beacon of hope for all humanity. Well, of course, it's happened, as upcoming supercar bonanza *Forza 4* has announced not only that Jeremy Clarkson is giving his robust opinions of the cars in voyeur mode Altavista (enter your garage. Look at your cars. Drool), but they've also scanned the world-famous Dunsfold test track as a playable course in the game. The best bit? You can race it in a Kia Ce'ed, like a genuine star in a reasonably priced car. They even made us exclusive pics of that happening!

World's fastest convertible!

231mph Merc would de-hair Rooney!

WORDS: JONNY SMITH

- **231mph with the top down, anyone? Renowned for its utter lunacy with horsepower and menacing styling, Mercedes' German tuner Brabus has wheeled out the fastest four-seater convertible on Earth.**
- It's named the 800 E V12, and based on Mercs' latest E-class convertible, and it doesn't take CSI geeks with shades to work out that 800 refers to the power output. That means a monstrous 788bhp.
- **The engine could produce up to 1,047lb/ft of tug, but Brabus has kept the E V12 on a tight leash. Not shabby, especially when you consider a Lambo Gallardo LP-570 supercar huffs out a paltry 398lb/ft.**
- Brabus has lubed up the E-class engine bay to cram in a 6.3-litre V12. With two turbos, obviously.
- **In true Brabus fashion, it achieves bizarre performance milestones, such as 0-62mph in 3.7 seconds and 0-186mph in 23.9 seconds. Perhaps 0-124mph in 9.9 seconds sounds more impressive?**
- Brabus always ensures its cars can comfortably crack 200mph and the E V12 isn't about to let the tradition down. Can you imagine 231mph in a car with a cloth roof? That'd pull Rooney's lovely new plugs out!
- **The hallmark debadged black bodywork has had muscular carbon-fibre pecs added to all four wings to allow the track to be wider. The 60mm flared rear wings have a matte finish and cover 10in-wide matte painted 19in wheels!**
- Stopping something that can carry four adults well over 200mph in luxury needs decent brakes: 380mm 12-piston front calipers and six-pot 360mm anchors at the rear end.
- **Quad pipes show off the stainless steel dual exhaust that sits beneath, and a bird table spoiler make it known to ambitious tailgaters.**
- This car is so silly, it has to be celebrated. And it's yours for just, um, £421,000!

"Get that thing out of my kitchen!"

"What red-wine stains, officer?"

Mad Spaniard strips at Pamplona!

WORDS: RORY BUCKERIDGE
PHOTOS: LAURENCE JC BARON / DEMOTIX

The annual "running of the bulls" festival in Pamplona, Spain, sees white-clad berks risking a good goring by racing half-tonne bulls down cobbled streets. Not something you'd think anyone would want to streak. But streak one podgy Spaniard did. Unsurprisingly, a big bull charged straight for the interloper, hitting him square between the horns. Amazingly, he was taken away with his tackle intact. The bull, however, is still pulling pubes out of his horns and suffers traumatic flashbacks.

Great Britton

G'day, f**kers. I'm not going to talk about *The News Of The World* and all that sh*t, as you're probably fed up of hearing about those c**ts. Instead, it seems like people are queuing up to condemn Fern Britton because she's gotten her first tattoo at the age of 53. But let's face it, a permanent tattoo on a woman of that age is only going to be visible for a couple of years. Truth be told, she's actually had the tattoo for 20 years but nobody could see it, as it was hidden under a roll of fat. Now she's lost all that weight, you can see a lovely butterfly tattoo nestling on her stomach. It was done when she was fat, and was actually originally a tattoo of a pterodactyl.

Robber nobber

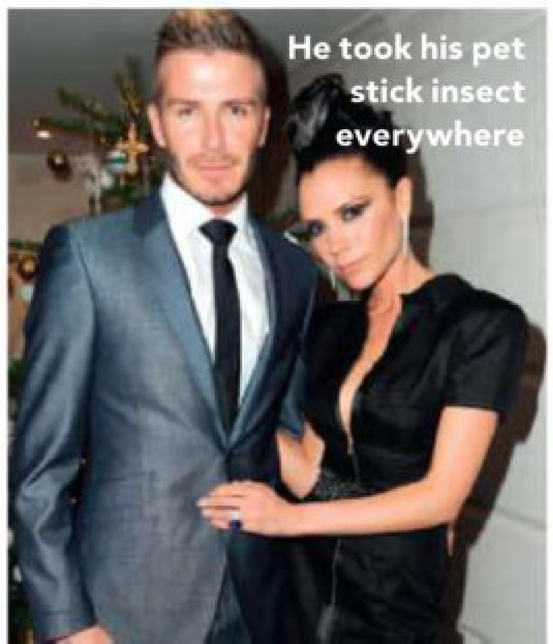

Oh, you won't believe this f**kin' idiot. 21-year-old Jonathan Ochola was just found guilty of robbery in Portsmouth, after hitting a bookie's and then writing "robbery happens" in his diary. Police were shocked at his stupidity – and coming from police, that's saying a lot. Now he's safely in custody, one imagines his diary will read

"Take the picture! I need to breathe out!"

"Fern's had her tat for years – under her fat!"

something like this: "1 August: got bummed. 2 August: making myself a shiv so I won't get bummed. 3 August: sh*t, I can't find my shiv. 4 August: made a new friend who says he'll help me find my shiv if I help him – I wonder what that means. 5 August: bummed with shiv."

He took his pet stick insect everywhere

Betty's blue

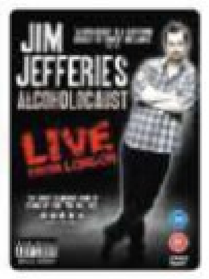

We lost the great Betty Ford this week, founder of the Betty Ford Clinic, who died at the age of 93. This is actually great news – Betty was quite possibly the most famous alcoholic/painkiller-addict who ever lived, and her rehab clinics are renowned throughout the world, so don't let anybody tell you that drink or drugs are bad for you! Unless you want to live to 94, I suppose.

A Little tribute

I'm not going to take the p*ss here because it was for charity, but I just did a f**kin' great gig for a room full of midgets and dwarfs, America's Little People's Assocation. It was a really interesting event – I just wish I'd remembered to get a f**kin' picture for Facebook!

New arrivals

Speaking of little people, I'd like to congratulate David and Victoria Beckham on the birth of their daughter. The little lady came in at seven pounds and ten ounces – and then, once she'd had the baby, Victoria was back to her usual weight of ten ounces.

We've seen some toe-curling incidents here at *Nuts*, but this shocker from reader Matt Harp takes the severed digit!

The 19-year-old lifeguard from Pinner was doing a spot of Mixed Martial Arts when things got a bit full-on! "The lad I was fighting went to pick me up, so I stuck my foot out to stop him," says Matt. "It felt like he'd trodden on it at first, but then I looked down and realised I'd bent my toe off!"

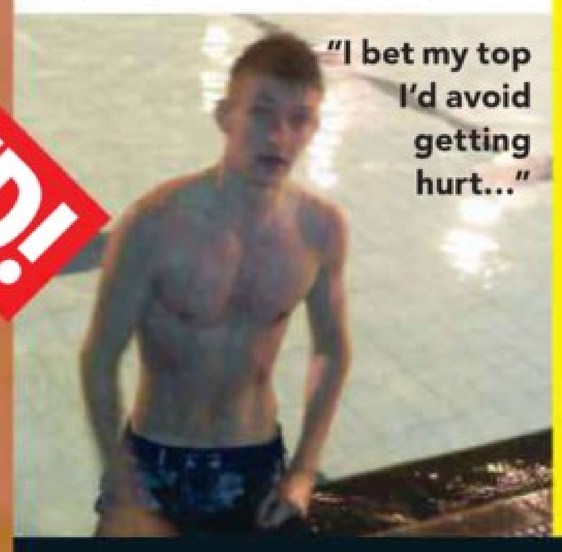

"It turned out to be just a dislocation, but the bone went right through the skin! Amazingly, it didn't hurt that much and there was hardly any blood, which is just as well, because it took me 90 minutes to get to a hospital!"

MMA-mad Matt didn't let the dislocation spoil his fun, and was back to fighting just four months after the injury!

We poured this advice into a *Nuts* man's head and sent him online to try to win!

Deal or No Deal top tips!

Deal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one winner walked off with £1.96m!

And best of all? You can win big money in the comfort of your own home!

HOW TO PLAY

- **The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.**
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- **The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.**

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the Deal Or No Deal TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

THE TRUTH ABOUT SEX WITH... ROSIE JONES

Nuts girls solve your bedroom bother!

Email questions to **thetruth_sex@ipcmedia.com**

Surely I'm hurting her?

My girlfriend moans when we have sex, saying it hurts her even when I go slowly. But she tells me to keep going anyway. How can this be right?

Paul, Loughborough

If I were you, I'd take it as a compliment, because it sounds to me like you must be on the large side, Paul! Don't worry – when it comes to sex, there's a good kind of "hurt" for ladies, and if she tells you to keep going, then the pain can't be that bad!

Why does she need a toy?

A girl I've started seeing says she only gets an orgasm if she uses a vibrator, too. I've never heard of this – is she making it up to spare my feelings?

Greg, Burnley

You don't have to worry, this is actually quite common. Loads of women have their own methods to achieve orgasm so just try to help her out and know that it'll be reciprocated!

I know nothing!

I hang out in a large group and we always end up talking about sex. There's a girl I really like in the group – how can I hide the fact that I am inexperienced?

Gav, Brondesbury

Ah, that's so sweet. Are you a virgin? Don't be ashamed if so – she might find it cute, so be honest with her. Don't go blurting it out to everyone; if you confide in her then I think she'll admire your honesty.

It's nice – then it's too painful!

When I'm with my girlfriend and she gives me oral sex, after I "pop off", I suddenly become so sensitive that it's quite painful. Should I be worried?

Tony, Perth

I'm not a doctor – or a man! – but male friends tell me that right after ejaculation, their little chap is very sensitive. Best to give it a few moments to stop tingling!

Hello Arianny! So how did you become an Octagon girl? Did you just hang around the UFC looking sexy? Well, I started modelling when I was 16, and I happened to go to a casting for a ring card girl. I didn't even know what it was at first, and had no idea what I was getting myself into. I was just trying to pay my way through college! But basically, what they wanted was a hot athletic girl! ➡

ARIANNY CELESTE

You're notoriously feisty. Have you always been that way or does it come with the job? I'm actually a shy person, so it was hard! I was very nervous during the first show, but thankfully, they asked me to stay.

So what sort of bloke do you go for? I love it when guys are really confident! But I'm not talking about being cocky – I don't like that at all. When a guy always has to be the centre of attention. It makes me wonder what he's compensating for! The silent killer types, you know? That's what I like!

What about looks – muscular or scrawny? People always ask me if my boyfriend has to have a six-pack, but I'm around that all the time with the fighters! A six-pack's fine, but I don't really care about physical appearance. I like computer nerds and a guy who can make me laugh!

How do you manage to stay so buff yourself? I don't like to take crazy, unnatural supplements. If you're craving something, eat it. Otherwise, you're going to eat something else that won't satisfy you, and eventually you'll eat what you craved anyway. Just don't overdo it!

Do you ever get involved with the fighting? I have kickboxing and Muay Thai training now, and I've done gymnastics for years and years. I'm pretty flexible, so I can do all kinds of things. I'm double-jointed. I can do some pretty wacky stuff!

Does that mean you could batter us? I often train with guys, and I've definitely slapped a couple around in my time!

Have you ever had to fight off any creepy fans? Most of the fans I meet are really nice, but every now and then you'll get one who'll put their arms around you and make you really uncomfortable. I'll ask them to politely move it, but if they don't, I'll slap them. I can definitely be feisty when I need to be!

Would you ever consider fighting for real? More power to the girls who go in there, but I just feel women should be feminine! The thought of getting hit in the face doesn't really appeal to me, to be honest! ■

"I'M PRETTY FLEXIBLE – I CAN DO ALL KINDS OF THINGS!"

NUTS INTERVIEW

BRIT BOXING SPECIAL 1!

TYSON FURY!

The heavyweight on golf, David Haye and his enormous feet!

"Blimey – look at number 17!"

Hi Tyson! You're a big lad. How did you get that way – did you eat loads of vegetables when you were a kid? Ha-ha! Yeah, I've always been tall, really. I was always the biggest in the class. When I was 15, I was 6ft 6 and now I'm 6ft 9, so I've always been massive!

Blimey! How big are your feet? Thirteen, but it's not a problem finding shoes that fit, luckily.

You're a big golf fan. Isn't that a bit weird for a boxer? It's a funny game but it's very relaxing and takes my mind off training, so I love it. I'm alright but I'm no Tiger Woods! My form goes up and down but I'm getting better. My handicap's ten.

Do you think you'll get a shot at Haye if he doesn't retire? I don't know what his plans are but if I beat Dereck Chisora in my next fight, me against David Haye would be a big domestic showdown. It'd be a shame if he retires without me getting to fight him first!

"Yes, I promise I'm just using the putter"

What are your thoughts on him? I'm not a fan at all – he's an arrogant so-and-so. He loves himself and he thinks he's God's gift for some reason. The Fury will take him out!

Who's the most over-rated fighter in your opinion? David Haye, by an absolute mile! He's fought a couple of old, fat heavyweights who are ten years out of date! He goes round thinking he's a killer, but when he comes across someone who can fight, he gets chinned!

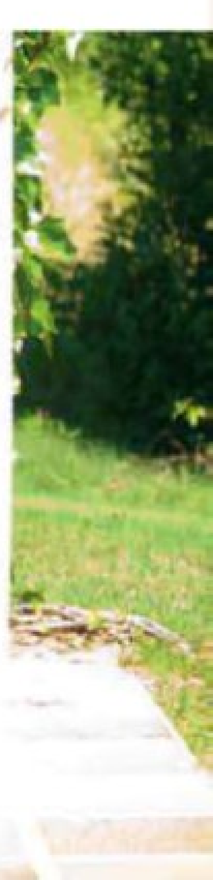

You were in the crowd at the recent James DeGale vs George Groves fight and got thrown out! What happened? There was a bit of a ruckus between me and Chisora – shirts were off and everything! I challenged him to a fight and a few days later, the bout was signed, so it was good. I went over to him and asked him why he was avoiding me and he said

He struggled to control his bouts of fairway rage

there wasn't enough money on the table to fight me. I told him, "I don't fight for money, I fight for honour." So, I told him to have a fight with me there and then because I was going to knock him spark out. I wanted to fight him there and then if it wasn't going to happen in a ring, so then he ran away!

You're a heavyweight. Does that mean you just eat as much food as you want? No! I've got to be very disciplined with stuff like that, which can be very hard! I love my food and it's just one of those things where you can't just eat whatever you like. I like quite a lot of junk food and that's all off limits when I'm training because it's no good for you really. Sometimes I'll treat myself to some of it during my training but I'm not supposed to!

Are people ever stupid enough to offer you outside? Sometimes, but I always ignore it. I've never had a scrap when I've been out with friends.

Are you a UFC fan? I don't mind watching it but I don't think I'd be very good at it, to be honest. I'm no good at the grappling stuff they do on the floor. I'd be good at the striking and catching them on the way in, but if they got me on the floor it'd be all over. I'm too long for it, anyway! They'd probably just take my legs from under me and rip me to the floor!

Anyway, did you watch *Big Fat Gypsy Weddings*? How hard are those lads? I watched one episode, yeah, but to be honest, I thought it was bullsh*t! I wasn't interested in it. There's a lot of different types of travellers though – different classes. I don't really carry on like others do – I'm just a normal person. Those guys are tough, don't get me wrong. It's crazy how hard some of them are!

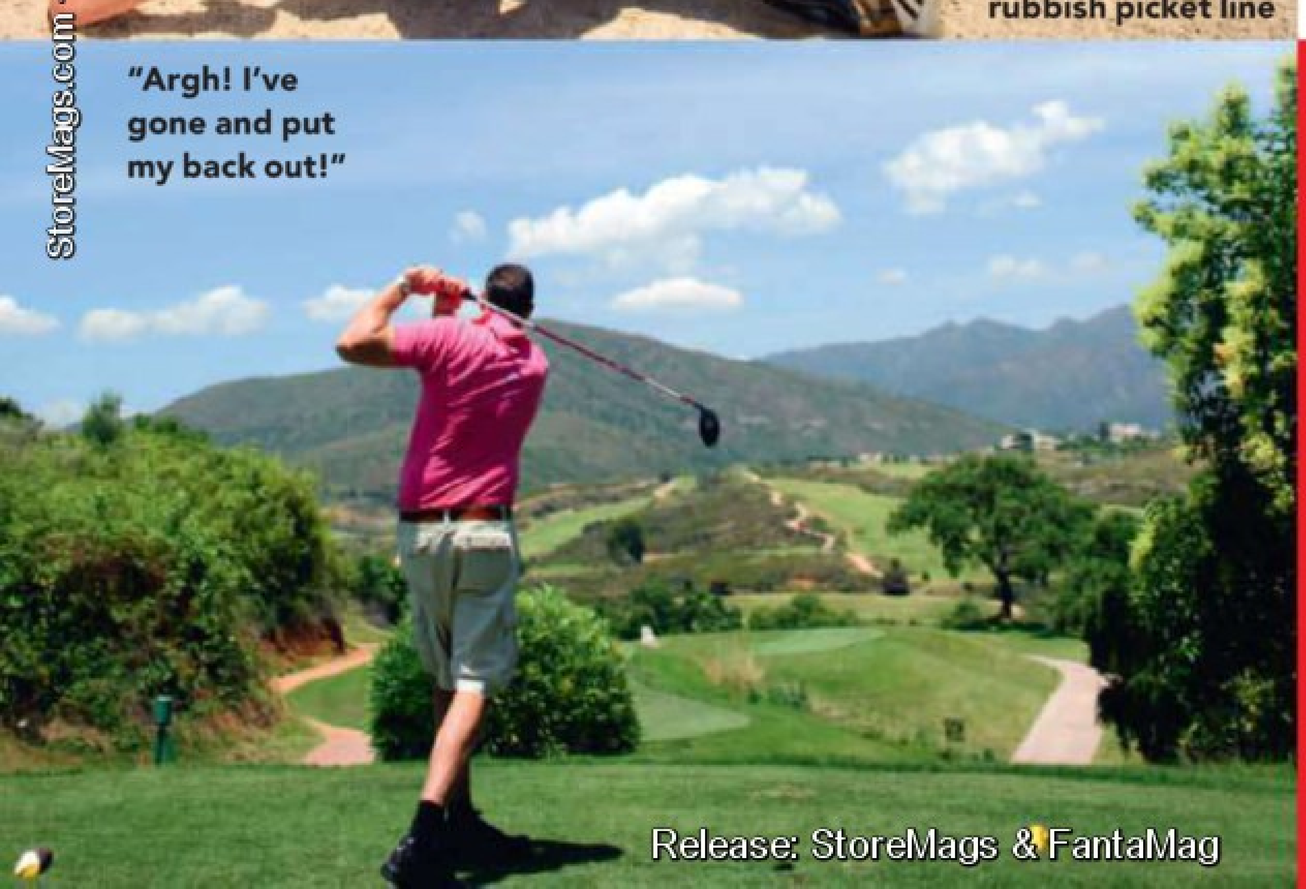

Thanks for the chat, Tyson! Finally, do you think you could take on a bear and win? Ha-ha! It'd probably be a harder fight than Dereck Chisora! ■

"I find they add extra punch to my shots!"

It was a pretty rubbish picket line

"Argh! I've gone and put my back out!"

The fight between Dereck Chisora and Tyson Fury for the British and Commonwealth heavyweight title is live on Channel 5 on Saturday 23 July.

What's he really like?

What did he score on this round of golf? He cheated on his scorecard but it was more than the par 74!

Number of balls lost? Loads!

Can he tee off wearing boxing gloves? No. The ball flew into the bushes!

Number of times Tyson's phone went off during the interview? Once. He paused the interview to answer it.

Favourite drink? Amaretto.

Favourite TV show? *Corrie*!

What's on his iPod? Hip-hop, dance, reggae and house. No Kylie or Gareth Gates!

SNATCHED!

In lawless Somalia, pirates go about their nefarious business in broad daylight

In a lawless region of Somalia, a British journalist and his photographer are relieved to be driving back to the safety of the airport after investigating a spate of brutal pirate attacks. But suddenly there's commotion up ahead – the convoy grinds to a halt, guns are being brandished and the pair are frogmarched into a waiting truck before they even know what's happening. They are now hostages of the self-same and deadly pirates.

The journalist is Colin Freeman, who describes his remarkable encounter to *Nuts*: "The kidnapping itself had been unlucky on our part," Colin recalls. "We were based in northern Somalia. The dangerous nature of the region means you have no choice but to hire protection while you're out there, but these are effectively people you hire off the streets. They're not people who would lay their lives down for you. You're basically paying people not to kidnap you!"

And it was these very same "protectors" who turned on Colin, then 38, and his photographer, José, and led them into even greater danger.

After their gunpoint capture, the pair were held in remote caves that were dark, damp and squalid, but eventually, like many kidnap victims, they began to build up an unlikely rapport with their captors.

Colin recalls the first couple of weeks there. "They were friendly. On the third or fourth day, one of our captors said, 'Where are you from?' I told him I was English and his face lit up! 'Thierry Henry!' he said. I said, 'Oh yes, Thierry Henry, Arsenal!' His face went stone cold. I thought I'd said something offensive to him, but my colleague pointed

out that Henry had gone to Barcelona at this stage! These guys knew more about the Premier League than me!"

LUCKY ESCAPE

But the light atmosphere was shattered by the unexpected events of one scorching afternoon. "Throughout our time being held captive, visitors would come by the cave. They would stare at José and me like a pair of zoo exhibits. One day a couple of men came by, but as they got up to leave, voices were suddenly raised."

In the confusion, Colin and José had no idea that they were the ones at the centre of the argument and that the two men were from a rival pirate gang – and had turned up ostensibly to take them. Things rapidly turned very nasty.

"A shot rang out, which was deafening. Someone, I couldn't tell who, had pulled a pistol and fired into the roof. José and I cowered on the floor as the pair were chased out of the cave at gunpoint. Other guards came running in. The bullet had hit the ceiling just above where we were sitting and ricocheted, carving white bite-marks in the rock," explains Colin.

Outside the cave, the fight was heating up. "There was more shouting," recalls Colin. "Another shot rang out, echoing round the valley, followed by what sounded like return fire. The gang were grabbing their Kalashnikovs and rushing outside, leaving just a few to guard us. We were ushered over to a bundle of boulders just to the left of the cave's entrance. The pirate grabbed one of the belt-fed machine guns, the bullets coiled round his neck, Rambo-style. On a clifftop overlooking us, we could see the outline of a man with a gun. He fired a shot in

"THE PIRATE PULLED A PISTOL AND FIRED..."

our direction, kicking up dust right next to the mat where we'd been sat just seconds earlier."

TERRIFIED

The terrified hostages, having narrowly avoided death, were then forced to seek refuge in their rancid surroundings.

"We huddled down in spot we'd been using as a toilet, with coils of evil-smelling sh*tty tissue everywhere. I began to wonder if I was about to take a fatal bullet while standing in a pile of my own sh*t!" says Colin. Then things suddenly changed. "The gunfire stopped. We stayed crouched for about 15 minutes, as the rest of the gang filtered back, yakking excitedly and tracing the bullet grazes on the walls."

Colin noticed a dramatic change in the atmosphere with his captors after the encounter. Although they'd won this particular firefight and stopped a rival gang from stealing their "goods", Colin and José were now all too aware their lives were in constant danger as this wouldn't be the last time a rival gang tried to muscle in on their captors' prize – at any cost.

Luckily, Colin's release was negotiated within weeks. But to this day he still recalls with a shudder of dread how he and his friend nearly became one of the bloody tales of death that he went to Somalia to document. ■

BOOBIES!

Not especially nice boobies, it should be noted, but what are you going to do? It's a tree, for heaven's sake!

SOPHIE HOWARD PRESENTS! THE BIG BOOB ISSUE!

A hot collection of very booby brunettes!

Friendship is a beautiful thing. If you need someone to talk to about the footy, hang out with at the pub or blow to smithereens on *Call Of Duty*, the first person you'll turn to is your mate. Now, imagine if you were Sophie Howard and your best mates were India Reynolds, Emma Glover, Holly Peers and the lovely Sabine! That's a pretty impressive line-up of pals, right? So what do they do when they get together? Knitting and talking about shoe-shopping, we'd imagine... ➡

SOPHIE!

Hello Sophie! How are you enjoying yourself today? Hiya! It's really, really good, actually! You can't go wrong with a lot of fit girls in one room, can you? Also, it's really hot so everyone's a bit sweaty! I've been rubbing myself all over their bodies!

So, are you still into role-play? Oh yeah, big time! There's just something really amazing about pretending to be someone else. This one time, me and my then-boyfriend were role-playing, but it got really full-on! We ended up having really hard, naughty sex on the living-room floor! There's nothing worse than just normal sex!

Have you ever pulled a right minger? Everyone's done that! Sometimes when you've got your beer goggles on, you end up back at somebody's flat by accident. You wake up in the morning and have to try to get the train-of-shame home super-quick! It's all good fun, though, and everyone should try it at least once!

When was the last time you did something naughty in public? There are loads of little alleyways I now have to drive past and think, "I've sh*gged in there!" But recently I did it in the car park of a zoo! I had my face painted as a giraffe, too, which was kind of weird!

How often do you have rude dreams? All the time! I tend to always have sex dreams if I go to sleep in the day. I always have the dirtiest dreams you can imagine. So it's best for me to sleep before I have sex!

What's the most times you've had sex in one day? I haven't counted but it's a lot. When you first get with somebody you've wanted to sh*g for ages, you can't stop! It's always really experimental, too!

What's the oddest thing anyone's ever said to you in bed? To be honest, I'm not one for dirty talk during sex! Because they watch so much porn, men think saying certain things are going to turn a girl on, but it just sounds hilarious!

Finally, who do you fancy who you know you shouldn't? To be honest, every guy that I fancy! I have weird taste. I've always had a thing for moustaches. [*Blue Bloods* star] Tom Selleck is the hottest man ever! ➡

HOLLY!

Hi Holly! What's been the sexiest thing about today's shoot, then? Hello! It's been well raunchy! But probably the conversation over dinner, with Sophie Howard just telling us rude stuff. That was the rudest part of the day. She's done some pretty cheeky things!

What's the cheekiest thing about you? I don't know, I wouldn't really say that I'm a cheeky person! I know loads of girls who've made rude home videos, but I won't in case it ends up on the internet! I guess I have a pretty cheeky bum!

We've had Imogen Thomas in the mag again recently. Would you ever date a footballer after reading about all that? Well I never say never, because you never know who you're going to be attracted to! But I wouldn't purposely seek out a footballer because they only seem to have one thing on their mind!

Who's the most annoying celebrity in the world right now? Justin Bieber! He's too arrogant and he's a little sh*t! Plus he said all that stuff about not dating Cheryl Cole because she's too old. She's well hot!

What's your favourite ever movie sex scene? Good question! In *Wild Things*, there's a bit where Denise Richards and Neve Campbell get off with each other in the pool! I really like the whole girl-on-girl thing!

So have you ever been curious with women before? Yeah, of course, because women are way sexier than men! I prefer a woman's body to a man's body. I'm not a lesbian and I prefer being intimate with a man but to watch and fantasise about, lesbians are fine!

So what's the most disgusting thing about blokes? I once had a boyfriend who farted on my hand the second time I met him! Not cool at all! ➡

SABINE!

"I'm really good at shaking my ass!"

Hiya Sabine! How are you enjoying the shoot? Hi! It's amazing. It's my first proper shoot for *Nuts* so I'm enjoying being around my favourite girls. Plus everyone's way more naked than I expected them to be, which is a bonus!

What do you look for in a bloke? He has to be ambitious, strong and confident. I don't like arrogant guys, but I like them to know what they want from life! Plus I love a guy who can make me laugh, so they have to be funny. Oh, and of course, they have to have a bit of a naughty side in the bedroom!

Does that mean you have a naughty bedroom side? Yes, of course! I think anybody can be naughty if they want to be – you just need the right person to encourage you. It's like that with experimenting and stuff.

Do you have any hidden talents? I like to draw pictures and I'm really good at painting. Aside from that, I'm really good at shaking my ass! Ha-ha! All the girls today have been really complimenting me on my bum, which is nice of them!

What would you like to do before the end of the year? I'm originally from Latvia so I'd definitely like to go home! I haven't been back for years now. I hope I get recognised for being a *Nuts* girl out there!

Would you ever use your new-found fame to blag something? I've been into a shop and asked for *Nuts* for free because I'm in it. They didn't even believe it was me! Maybe I'll get my bum out next time. Ha-ha!

What would you do if you were in charge of *Nuts* for the day? I'd make an issue of the sexiest bums in the world and mine would be on the cover! ➡

INDIA!

Hello India! How are tricks? Hi! Amazing, thanks. Everyone's well naked and having lots of fun! It's a bit hot and we're all sweaty. So many boobs!

Awesome! Who's been the cheekiest girl on the shoot today? Emma Glover's pretty cheeky! She's definitely been the most naked out of everyone all day! But Sophie Howard's the cheekiest in general! She's up for doing very rude things.

What's the rudest text message you've ever received? Oh dear, I really can't say! I could tell you about all the rude messages I've sent and received, but there's a chance they might be too rude! I'll have to let you all use your imagination!

When was the last time you were so happy you nearly cried? I can't remember, but I can tell you the last time I cried when I was sad! My bank account had some money taken from it and I found out I'd been robbed! They'd spent money in Pizza Hut, Pizza GoGo and Domino's, so they clearly were big pizza lovers!

Swines! On a cheerier note, if we gave you one wish for the day, what would it be? I'd fly all my friends to Las Vegas and have a massive naked pool party! I've decided I need to go to Vegas at some point anyway. It's my life ambition. I reckon I could probably live out there!

What if you were in charge of *Nuts* magazine for a day? I'd make it well cool, but most blokes would probably hate it because I'd put loads of girls' stuff in it! I guess to make up for it I'd fill it with naked hotties too and do a super-rude shoot!

Is there any one gadget you couldn't live without? That's a tough one, but I'd have to go for my phone, because that's pretty much my life! Were you expecting me to say my Rampant Rabbit that I use five times a day? Ha-ha!➡

EMMA!

Hi Emma! How are you enjoying the shoot? The shoot's going well, thanks! It's a very sweaty affair and we're all getting a bit hot and bothered here. You put five pairs of good boobs in a room and it's gonna get hot!

What's the cheekiest thing you've done for someone recently? I quite like Chat Roulette! Me and Rosie Jones go on there to flash our boobs at people all the time, so keep a lookout for that!

What's the naughtiest text you've ever sent someone? Probably pictures of my boobs! I think it's better to send them when people don't know they're coming. I've surprised a few boyfriends in meetings before!

Have you any hidden talents? I can down a whole pint in one go! Not lager, but cider or anything like that. Put it in a pint glass and I can down the whole thing. It's taken me years to hone the skill but I've got it mastered!

What's your worst habit? Probably not closing my curtains at home, as I obviously have a habit of walking around with nothing on! The old people who live next door to me have seen me naked. I don't know if it's a bad habit or not, but its definitely something I'm guilty of!

When was the last time you did something really nice for someone? I do a lot for the Help For Heroes guys. Me, Rosie Jones and India are going to a hospital to surprise a load of soldiers next week. Hopefully, our visit should cheer them up.

When was the last time you were surprised at someone? I was surprised at Sabine's bum this morning! She does have the most amazing ass if you've ever seen it in the flesh!

Have you ever been curious about doing rude things with other girls? Well, I think girls are prettier than boys, but there's nothing better than a nice big man, is there? ■

BRIT BOXING SPECIAL 2!

Khan: 'I want to knock out Ali G!'

Amir Khan talks ahead of his clash with Zab Judah!

Hi Amir! We've not spoken since the McCloskey fight. How have you been? Good thanks, I'm keeping well. I've just been chilling with my family and stuff. I've not had much of a break because this next fight has come along so quickly!

Yeah, it's very soon after the last bout. Why is that? Well, Ramadan's coming up, so I wanted to get one more fight in before then. I didn't need much of a break though, because I didn't really get out of second gear in the McCloskey fight.

Good stuff. You're defending your WBA light-welterweight title against IBF champ Zab Judah. What's he like? He's totally different to McCloskey. He comes forward often and always puts a lot of pressure on you. This is the first defence of his IBF title, and I'm putting my WBA title on the line as well, so it's definitely a big fight!

He infamously caught Floyd Mayweather with a low blow that nearly caused a riot. Are you worried about dirty tricks? Judah can be a bit nasty at times, but that's just his style really. If he doesn't get his way he can start fighting dirty! I'm not worried about him hitting me low, though. There's a referee in there and the judges can see what he's up to. I'm just going to stick to my game plan and not worry about what he's doing.

Who's the dirtiest fighter you've had to deal with? Probably Marcos Maidana. He's one of those tough guys who hits you in the kidneys and around the back of the head. When the ref says break, he'll try and catch you with his elbows and stuff.

Has anybody ever tried to trash-talk you while in a clinch during a bout? You do get the odd fighter trying to talk to you and put you off. I can't remember any names but it's happened a few times.

Can you hear anything the crowd are chanting when you're fighting? You know what, you can't really hear it! You're normally too focused on your game and stuff. Obviously, you hear them when you're coming to the ring, but during the fight you're just concentrating on getting the job done in the ring.

Your fight's in Las Vegas. Are you expecting big support from Brits? Yeah, we're looking at over ten thousand people coming over for the fight, so I'm excited about that!

How's training been going? It's been a ten-week training camp, which has all gone to plan so far. I can't complain!

What do you think of the state of British boxing right now? British boxing is currently on a real high. We had five current world champions before David Haye lost to Wladimir Klitschko – for a small country to have so many good boxers is brilliant. I think it's only going to get better and better in the future as well.

Your brother is a boxer too – how's he getting on? He's doing really well. He's representing Pakistan in the 2012 Olympics, so he's looking forward to that. He's been training with me in LA, actually.

What's the most expensive thing you've bought with your winnings? I love watches and cars. I spent about a hundred grand on an HB watch!

Crikey! That's a lot of cash. Now, is there anybody out there you'd love to get in the ring with who isn't a boxer? Yeah, that Sacha Baron Cohen (Ali G) bloke! I'd like to spark him out, man. He's really annoying with that stupid accent and everything!

David Haye insists he's going to retire at 31. When will you hang up the gloves? I think about 28 would be a good age for me to retire, so four years from now. It'd be good to win all the titles, make a name for myself and then call it a day.

Not long left then! Do you want to fight Floyd Mayweather before you retire? I definitely want to face him! I know that fight is going to be made in the next year, or maybe even earlier! If he wins his fight with Ortiz, or even if he loses, the winner of that fight will be a good match for me in the future. I'm getting older and wiser all the time, which is making me a better fighter. It gives me plenty of confidence about going on and winning that fight!

Amir Khan vs Zab Judah is live this Saturday night on Primetime PPV (channel 480 on Sky) for £14.95 – please ring 0871 200 4444 to order. For exclusive travel packages, visit www.amirkhan2vegas.com.

Liverpool, the big spenders!

There have been some major transfers over at Anfield in the past few weeks! Kenny Dalglish is targeting young British talent as he tries to build a squad capable of challenging for the Premier League.

"Adam and Henderson are great signings!"

He tried it at Newcastle years ago and it didn't work out very well! But after how Liverpool performed at the end of last season, expectations are very high. Charlie Adam and Jordan Henderson are quality signings, and Aston Villa's Stewart Downing will also be an excellent addition to the team.

However, I'm not sure they're going to find it easy to break into the top four, let alone challenge for the title!

Both Manchester teams have spent big and are still spending, Chelsea have loads of cash and a fantastic new manager and Arsenal are determined to keep hold of their stars and build a title-challenging side.

It's going to be an incredibly tough challenge for King Kenny and his boys, but with the team they have and a fully fit Steven Gerrard to return, they at least have a chance. Only time will tell!

Dancing in public always made him feel a proper Charlie

Arsenal should sign Hargreaves!

I was really pleased to see my old pal Jonathan Woodgate join Stoke City. He's an absolutely superb defender. He's also pacy and has a lot of quality on the ball. If Tony Pulis can get him fit and on the pitch, he'll have one of the best, if not *the* best, English centre-half of his generation.

Another injury-prone player worth snapping up is Owen Hargreaves. With a full pre-season behind him, he could do wonders for a top-flight side. In fact, I think Arsenal should take a chance on him! They need some steel in midfield and Wenger's track record for prolonging the careers of many older stars would also be a perfect fit for Hargreaves!

LADIES CONFESS! TO OUR SECRETARY!

100% REAL STORIES!

CONFESSION OF THE WEEK!

'A lecturer, a student and me...'

I work at a university, and one of the younger sports lecturers sometimes glances across the staff room at me. Recently, he was working late and I saw him in his office with a female colleague. She had her head in his lap and I couldn't help staring. She saw me and beckoned me over with a cheeky smile. I couldn't stop myself from joining them! Soon, she had her fingers between my legs and I had his erection in my mouth. It wasn't long before the girl had me coming down her arm! Then he took me deep inside from behind, while I made out with the fit colleague. It was the most arousing experience of my life! Now we all have extra-curricular activities every chance we get!

Jess, Kent

'I pulled him into a cupboard'

I live in a small block of flats and one morning, the postman called early with a parcel. I hurried downstairs in my satin dressing gown and almost bumped into a teenage cleaner who was hoovering the hall. On my way back upstairs, I noticed the bulge in his trousers and smiled. He gave me a sheepish grin and mumbled something. I noticed a cupboard behind him and, seizing the moment, went inside. I let my gown fall to the floor exposing my large E-cups. I released his manhood and pleasured him with my hand while he buried his face in my boobs. His fingers found my clit and soon I was soaking wet and moaning as he sucked on my big nipples. I grabbed his bum tightly as I shuddered and came against the wall. I've booked him next week to clean my flat!

Shirley, by email

'I rubbed gel all over her boobs'

On a college hockey tour, after we finished a game, we all went to change and shower. As usual, I took ages, rubbing shower gel over my whole body and stretching under the hot water. As I was washing my hair, a female figure appeared in the door of my cubicle. It was one of my team-mates who I'd always thought was hot. She undressed slowly in front of me and snuck into the shower. Soaking wet, she kissed me passionately on my neck. I got some more shower gel and gently caressed her breasts, massaging them with care. She moved her hand down my body, until she was inside me. It felt so amazing! I wanted so much more but we knew we'd get caught, so agreed to meet up later. We never quite made it that trip but I'm seeing her later this week...

Sammy, Lancaster

'The best make-up sex ever'

I've just got back home from a short break in Spain with my boyfriend. As soon as we got there, we started arguing furiously. After two days, we weren't even speaking and I was sleeping on the sofa-bed in the living room of the apartment. The following night, we went to dinner separately and even sat apart at the bar. I loved seeing him grow mad with jealousy as he watched me sitting in a low-cut dress, lapping up the attention from all the male staff. After about half an hour of flirting with the waiters, I noticed my boyfriend had left. Feeling that there was no point in carrying on now, I headed back to my room. Just as the lift doors were about to close, my boyfriend slid in. He pushed me against the wall, passionately kissed me and pulled my dress up before tearing my tiny knickers off! He then slipped his fingers inside me until I was moaning with pleasure. It was the best make-up kiss ever!

Ellie, Brighton

The Mercenaries features remastered stages from *Resident Evil 4* and *5*

RESIDENT EVIL: THE MERCENARIES 3D
NINTENDO 3DS

More rough-and-ready shooter than traditional survival horror, *The Mercenaries* has you dashing through random *Resi* scenarios, playing as random *Resi* characters, shooting random *Resi* zombies. But with simple controls, online co-op, weighty weapons and the tick, tick, tick of an ever-present timer, there's an awful lot to like here. ★★★★

BOOST 2

This frantic but beautiful racer has you bombing down an ever-changing corridor, like *WipEout* in a kaleidoscope! It's a perfect, portable five-minute blast. ★★★
